Submission Summary

F 211 2425 Data Release Number (DRN): 9755 Student Aid Index (SAI): 000000*C

Dear John Smith,

Your *FAFSA Submission Summary* shows the information you submitted on your 2024–25 *Free Application for Federal Student Aid* (FAFSA) form, which was received on **04/01/2024** and processed on **04/15/2024**. You can use this summary to check your application status and student aid eligibility (page 1); determine if you need to resolve any problems with your application (page 2); examine your federal student loan history (page 3); and review or correct the information you provided in your FAFSA form (pages 5–18). See correction instructions on page 4 and mailing instructions on page 18.

Application Status

Review the checked boxes.

- ☑ Your FAFSA appears to be complete. Review the data on pages 5–18 of your FAFSA Submission Summary and make corrections or updates if necessary. Any schools listed on your FAFSA will receive your information.
- ☑ Your FAFSA has been selected for verification. Verification is a process where your school confirms the data you reported on your FAFSA. Your school has the authority to contact you for documentation that supports income and other information that you reported on your FAFSA.

Federal Student Aid Eligibility

Colleges use your Student Aid Index (SAI) to determine how much financial aid you would receive if you attended their school. Financial aid may include grants (free funds that do not have to be repaid), work-study (paid part-time employment), and/or lowinterest loans (borrowed funds that must be repaid). Your SAI is subject to change if you update or correct your FAFSA.

Your financial aid package could also include other federal, state, or institutional aid. Your school's financial aid office will tell you the specific types and amounts of aid you can receive. For more information about the SAI and the types and sources of aid, go to StudentAid.gov.

The Internal Revenue Service (IRS) offers tax benefits to help you maximize your college savings or recover some of the money you spend on tuition or loan interest. For more information, visit StudentAid.gov/resources/tax-benefits.

Review the checked boxes.

- ☑ Based on your SAI, it appears that **you may be eligible** for a Federal Pell Grant of up to \$7,395 if you are enrolled full-time. Additional Pell Grant funds may be available if you are continuously enrolled (i.e., attending summer term). Your grant may be adjusted if you meet or exceed the lifetime limit established for the Federal Pell Grant program.
- We sent your information to other federal agencies to verify your eligibility for federal student aid and there appears to be an issue with the information provided on your application. Review the checklist on page 2 for instructions on how to resolve these issues.

Comments

Use the checklist below to make sure all your issues are resolved.

- The National Student Loan Data System (NSLDS) indicates that one or more of your federal student loans have been discharged. If you have questions, contact the financial aid office at your school.
- If you need to make corrections to your information, you may either make them online at fafsa.gov, or by using this FAFSA Submission Summary. If you need additional help with this summary, contact your school's financial aid office or visit fafsa.gov and click the "Help" icon on the FAFSA home page. If your mailing address or email address changes, you can make the correction online or send in the correction on your FAFSA Submission Summary.

Special or Unusual Circumstances

If you or your family have experienced special or unusual circumstances that impact your ability to pay for school, you may be eligible for an adjustment on your FAFSA form. Examples of special circumstances may include: substantial loss of income, changes in assets, tuition expenses at an elementary or secondary school, or high unreimbursed medical expenses. Examples of unusual circumstances may include: human trafficking, refugee or asylee status, or parental abuse or abandonment. On a case-by-case basis, your school's financial aid administrator may determine that your situation justifies an adjustment to your FAFSA. Contact your school's financial aid office to request a review of your circumstances.

Federal Student Loan Summary

The table below shows the total amounts of federal (Title IV) student loans that you owe, as currently reported to us by your loan servicers. Confirm that these amounts are correct by signing in to <u>StudentAid.gov</u> and viewing the details for each of your loans. If you feel that the amounts listed below are incorrect, or you have questions regarding a loan, contact the loan servicer indicated on <u>StudentAid.gov</u>. You can obtain general information about each of the types of loans listed below by visiting <u>StudentAid.gov/loans</u>.

The "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for Federal Family Education Loan (FFEL) Program "Unallocated Consolidation Loans," it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember, you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a 10-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course, your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and the length of your repayment term.

Consent to Retrieve and Disclose Federal Tax Information (FTI)

Under penalty of law, I certify that I am the individual associated with the FSA ID log-in credentials used to access the FAFSA form to provide the necessary approval and consent for the disclosure and use of my federal tax information (FTI) from the U.S. Department of the Treasury. By the completing the consent and signature question, I approve and consent to:

- The U.S. Department of Education to disclose my Social Security number, last name, and date of birth to the U.S. Department of the Treasury in order to obtain my FTI only for the purpose of determining the eligibility for, and the amount of, federal student aid for myself or of others for which I participated and shared my FTI by a program authorized under subpart 1 of Part A, Part C, or Part D of Title IV of the Higher Education Act of 1965, as amended.
- The use of my FTI by U.S. Department of Education officials and contractors (as defined in 26 U.S.C. § 6103(I)(13)), only for the purpose of determining the eligibility for, and amount of, federal student aid for myself or of others for which I participated and shared my FTI by a program authorized under Title IV of the Higher Education Act of 1965, as amended.
- The U.S. Department of Education to redisclose my FTI received from the U.S. Department of the Treasury, pursuant to 26 U.S.C 6103(I)(13)(D)(iii), which includes:
 - institutions of higher education participating in the federal student aid programs authorized under the Higher Education Act of 1965, as amended;
 - state higher education agencies; and
- scholarship organizations designated prior to Dec. 19, 2019, by the Secretary of Education.
- The use of my FTI for the application, award, and administration of student aid awarded by the federal government, institutions of higher education, state higher education agencies, and designated scholarship organizations.
- The redisclosure of my FTI to any future 2024–25 FAFSA forms for which I elect to participate (e.g., if I elect to participate in my child's FAFSA form or to complete my own FAFSA form after participating in another FAFSA form). My FTI will be redisclosed to these additional applications upon my affirmation to participate. I understand that I may decline an invitation to participate, which will prevent the transfer of my FTI to that FAFSA form.
- By approving and consenting, I further understand:
- My approval and consent are a condition of my eligibility or of others for which I have participated and shared my FTI for federal student aid, even if I did not file a U.S. federal tax return.
- If I do not approve and consent to the disclosure of my FTI, the U.S. Department of Education will be unable to calculate my eligibility for federal student aid or the eligibility of others who have requested that I share my FTI on their FAFSA form.
- I am permitted to revoke my approval and consent for the disclosure and use of my FTI, as outlined herein, at <u>StudentAid.gov</u>. However, by revoking such approval and consent, neither I nor other applicants for which I participated and shared my FTI will be eligible for future federal student aid and/ or other financial aid program that used FTI to make determinations for eligibility of aid awarded by an institution of higher education, state higher education agency, or other designated scholarship organization.
