I acknowledge that Parksite employees have NOTHING to do with who applies for the scholarships AND the review of scholarship applications or the selection process resulting in recipients.

I acknowledge that I have read and agree to provide the additional materials required to complete my application.

I certify that the information contained in this application and all other materials submitted by me for consideration of this scholarship are to the best of my knowledge accurate and true. I also certify that the personal statement is my own work.

I authorize my school to provide the Scholarship Selection Committee with any and all requested information concerning my enrollment, grades, test scores or any combination of the above, and any other information deemed necessary by the Scholarship Selection Committee to enable them to make an informed decision regarding the selection of recipients.

I give Parksite permission to list my name and use my photo as a scholarship recipient on the Parksite/CSA website should I be chosen as a recipient.

I understand that this is a competitive scholarship program. Scholarships shall be awarded on an objective and non-discriminatory basis, with neither race, creed, color, sex, age, religion, national origin or disability being considered. Selections are based on information received from the applicant and the additional materials postmarked by the deadline. Decisions of the committee are final and justification for recipient selection(s) by the Scholarship Selection Committee, CSA, or Parksite staff will not be disclosed under any circumstances.

I understand that if I do not submit all the required materials by the postmark deadline that I will not be considered for a scholarship.

I understand that the scholarships do not originate with CSA. CSA merely administers the scholarship program. CSA cannot guarantee that Parksite will provide the funds, and, in the event Parksite fails to provide the funds, CSA is in no way responsible with regard to payment of the funds.

I understand that in the event of serious malfeasance, breach of traditional conduct, failure to provide requested materials, or conduct involving moral turpitude, a scholarship may be terminated at any time within the discretion of the Scholarship Selection Committee and concurrence of the donor, whose decisions shall be final and binding.

I have read the above terms and certify that I am eligible to apply for this scholarship and that I will abide by these terms.
